At Unleashed Retreat, your pet is important to us! We want to assure you that every effort will be taken to make your pet's bathing and/or grooming experience pleasant. Occasionally, grooming can expose a hidden medical problem or aggravate a current condition. This can occur during or after grooming. *In the best interest of your pet we request permission to obtain immediate emergency veterinary treatment, at your expense, should it become necessary.* In the event that I am not present, I hereby grant permission to Unleashed Retreat to obtain emergency veterinary treatment for my pet, at my expense. The undersigned further grants full permission to Unleashed Retreat to use any photographs or videotapes from grooming for any purpose. Additionally, I have notified Unleashed Retreat of any pre-existing medical conditions my pet may have prior to receiving grooming services. My pet is up-to-date on Rabies, Distemper, and Bordetella. I also certify that my dog has not harmed, bitten, or shown aggressive behavior toward other pets or humans.
